September 10/11, 2021**

Celebrating that Christ is all and in all by seeking, inviting, belonging, serving and reverencing God's creation.

Minutes

A motion was made by Mariah Nehus to apply for a grant for \$10,000 to be distributed to LatinX folks in Canton/Cruso on behalf of the Canton Missional Network (CMN).

CMN isn't a separate non-profit, so Grace will act as the fiscal agent on this grant. If awarded the money it will go directly into the Rector's Discretionary Fund. These funds would be used to support LatinX families who have lost cars and other property, income, and jobs (at least for this picking season, as the farms are devastated).

The motion was seconded by Laura Armour. During September 10 and 11 all Vestry Members voted via email and the motion was passed unanimously.
