

Celebrating that Christ is all and in all by seeking, inviting, belonging,
serving and reverencing God's creation

Thanks to everyone who participated in our Earth Day Celebration forum on April 23. Wonderful ideas for deepening roots of Creation Care ministry at Grace were offered in small groups and shared with everyone. Patty Coulter, Suzy Leclaire, and Linda Sexton led a group of children in planting seeds and painting activities, and Patty read to them from a book she wrote and illustrated. Anyone is welcome to join Creation Care ministry and find ways to express your heart's calling to reverence God's creation. Contact Mary Alice Lodico at 828-550-5500 marylodico1@gmail.com or Susan Williams at 828-550-7674 swilliams330@bellsouth.net. Read Linda Sexton's article and see photos [here](#).
