

Haywood Public Transit particulars RIGHT NOW:

- * Haywood Public Transit IS open and available (they just ask a few questions to confirm you are not currently infected)
- * They operate Monday through Friday from 6 am - 5:30 pm (cut-off is 4:00pm so that bus is back by 5:30 closing time)
- * Phone # is 828-565-0362
- * Reservations are made by calling (2 days advance notification is ideal -- simple since Eucharist is celebrated every Wednesday at NOON)
- * Easy registration: name, date of birth, your address and phone number
- * Covid regulations: wear a mask, hand sanitizer available for when you get on and off the bus, fewer seats available to accommodate social distancing
- * Cost is \$3.00 each way -- exact cash required (we will gladly reimburse you for trips to and from Grace Eucharist on Wednesdays -- unfortunately, no buses run on Sundays)
- * With a time-specific reservation, they will give you a "window" regarding their arrival time (you watch for the van's arrival from the comfort of your apartment -- they do NOT call to tell you they are on the property)
