

Celebrating that Christ is all and in all by seeking, inviting, belonging,
serving and reverencing God's creation

Save the date for Creation Care Alliance of WNC Winter Symposium! A group of 12 from Grace, including Joslyn, attended the last symposium in February of 2020, and we were inspired to form Creation Care Ministry at Grace, which re-emerged as new shoots after the pandemic waned. Join us for new inspiration, fellowship and ideas. Our last in-person retreat and symposium sold out in 2020, so we encourage you to register early to ensure you can attend! *Early bird registration closes on December 9th, 2022.* Contact Mary Alice Lodico marylodico1@gmail.com for more details after exploring the link.
