

**Celebrating that Christ is all and in all by seeking, inviting, belonging,  
serving and reverencing God's creation**

**Creation Care Prayer Group Offered at Grace Church**

Beginning Friday, December 3<sup>rd</sup>, from 12:00 – 12:30, Grace Church will provide a community space for anyone seeking solace and fellowship in prayer for God’s Creation. Creation Care Ministries of Grace and First United Methodist will co-sponsor this new offering to which all are welcome.

We will meet in the sanctuary for a 30-minute session of offered prayers of gratitude and praise for Creation and petitions for restoration, healing, wise leadership, and justice for all people and all living creatures of this world. When a prayer experience is shared, its voice is amplified, sounding through many hearts together.

If you would like to pray for our planet--this blessing of Creation--given to us to care for--join us the first Friday of each month at noon, beginning December 3<sup>rd</sup>.
