

Celebrating that Christ is all and in all by seeking, inviting, belonging,
serving and reverencing God's creation

Join us for a two-part film and discussion during Sunday Forum on September 25th and October 2nd. Forums are held from 9:15-10:15 in Thatcher Hall. Offering a profound message of hope, *Renewal* tells stories of individuals and communities driven by the deepest source of inspiration, their religious and spiritual commitment, to become stewards of our planet. From the producers of the film: "We were inspired to make *Renewal* by Americans who are answering a spiritual call to confront the enormous challenges of environmental degradation. For many, faith has inspired action. Earth is being reclaimed as people's spiritual experience is deepened and revitalized."
