Do you make ministry commitment to Grace Church (time, talent and treasure)? (We ask because part of your role will be asking other parishioners to do the same.).

Yes, I volunteer and I contribute to Grace. I am happy to be part of a church that is so active in our community.

Why do you feel called to serve on the Vestry of Grace Church?

I feel very connected to Grace and the mission of the church. While I am still learning about the Episcopal Church, I would be happy to share my journey with others.

Please describe your participation at Grace or in the community, indicating leadership experience that you think will be helpful for the Vestry.

I have helped with the Grace Giving Garden and some of the community food distribution events. I also helped with some cleanup after the Cruso flooding. As a working software engineer, I have leadership and people skills that may be helpful.

What is your vision for Grace Church in the next three years?

Continued involvement in community organizations with even more participation from the congregation. Further, I would like to see Grace membership grow and continue to be welcoming to people of all sexualities and ethnicities.
