

## **Ministry Spotlights: Ushering & Altar Guild**

As the pandemic wanes, Grace is getting back into the full swing of worship. Ushers members play a critical role in our weekly Sunday celebration.

Ushers welcome each person into the service, providing hospitality, and ensuring folks have what they need to worship as comfortably as possible. They are also often the “first face of Grace” for newcomers, communicating our parish’s friendliness, warmth and kindness. Ushers typically arrive about 20 minutes before the service begins and complete their work about 5 minutes after the service ends...in time to make it to Coffee Hour!

Might you consider “trying out” ushering? We are building up our teams so that you’d likely serve about once a month, and we work around your availability. We are arranging “come and see” session on May 1 a 10:05 am for ushers. Contact the Rector or our current ushers or altar guild members to learn more.
